Please arrive at the time posted.

Make sure you have completed the background check. Call the office for assistance. (816) 331-3469 See instructions ~~on the next page.~~ ^{below}

Complete the background check at **www.oxforddoc.com**.

Please be prepared to provide your social security number and residential address(es) including date(s) of residency during the last seven years.

- 1) Click in the "Applicants" box along the right-hand side of the screen on the link "Click here to complete online authorization form."
- 2) Enter the church's client number which is 515. Then select position code number 3 which represents volunteers.
- 3) Verify the church address. If the address matches the following, click "YES." First Baptist Church 116 S. Washington Raymore, MO 64083-9711
- 4) Read the disclosure and authorization statement. At the very bottom of the page, click in the box beside the statement "Yes, I have read and understand the FCRA Disclosure/Authorization and my rights under the Fair Credit Reporting Act." Then click "Continue" to proceed with the background check.
- 5) Follow the directions from that point forward, always continuing onto the next page until you reach the final page on which you will click "Submit." (A pop-up window should appear on your screen confirming you have successfully submitted and offering to let you print your submission. Printing is purely optional since the print out will not contain any of your information and simply provides the phone number of the processing company if you have questions.)
- 6) After you have submitted the background check online, notify the church office at (816) 331-3469 or raymorebaptist@comcast.net, so it can be noted in the church records that you have completed the background check.

Thank you for completing the background check in preparation for serving with children at FBC Raymore! After the company has fully processed your background check, a report will be sent confidentially to the pastor.
